

# GREENSPEED AUSTRALIA GECA CERTIFIED PRODUCTS

Our products are efficient, innovative and ecological. They are thoroughly tested, clean hygienically in an innovative way and without using unnecessary toxic chemicals. We offer a wide range of microfibre products for all surfaces and a variety of applications: interiors, bathrooms, kitchens, laundry, floors and walls. We leave nothing to chance, working to deliver the best possible concepts and cleaning solutions. All this is based on our core business values: efficiency, sustainability, innovation and user-friendliness

## GECA CERTIFIED

The Good Environmental Choice Australia Ecolabel is Australia's leading environmental labelling program. It indicates the environmental performance of a product from multicriteria perspective. Products that carry this Ecolabel are certified environmentally preferable by GECA.
